

DAV PUBLIC SCHOOL, KOTA
SUMMER HOLIDAY HOMEWORK(2026-27)
CLASS- II

Dear Parents,
Greetings!

Summer vacation is a wonderful time for children to relax, refresh, and explore new learning opportunities. To keep our students engaged and connected with their studies, holiday homework has been assigned for all subjects.

Kindly encourage your child to complete the given work neatly and sincerely during the holidays. The homework is designed to enhance creativity, improve skills, and make learning enjoyable. Please ensure that:-

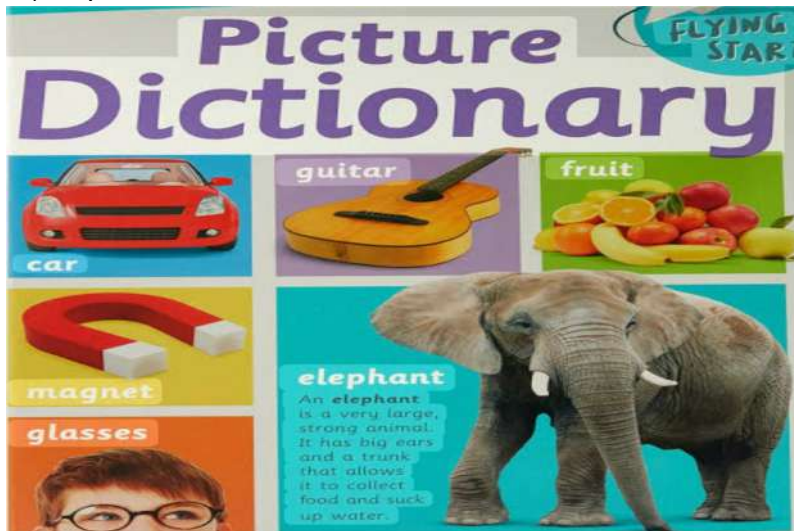

- 1.)Homework is completed on time.
- 2.)Work is done neatly in the assigned notebook/project file.
- 3.)Children also spend time reading, practicing writing, and enjoying creative activities.
- 4.)Adequate balance is maintained between study, play, and family time.
- 5.)We request your support and cooperation in guiding your child. 6.)Holiday homework should be submitted on the first day after the vacation.

Wishing you and your family a safe, joyful, and productive **summer break!**

ENGLISH :-

1.) Describe your favourite:- (a.) hobby (eg. reading □) (b.) fruit (eg. mango □) , (c.) game e.g. cricket □), (d) flower (e.g. □) (e.) place (e.g. park □) in five sentences in Scrapbook.

2.) Prepare a **PICTURE DICTIONARY**

having minimum 5 words of each alphabet with meaning to enhance the vocabulary. Cover it with a beautiful cover and put a book mark in it with a moral value written on the bookmark.

3.) **NAMING WORDS SORTING POCKET**

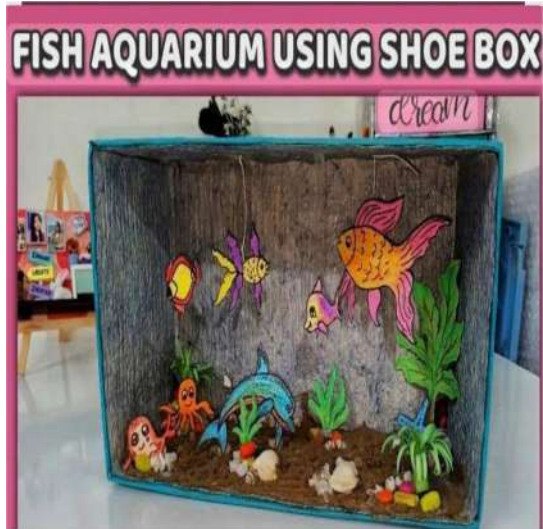

Take an envelope. Label it as **Naming Words Pocket**.

Cut 15 pictures from old (newspapers or books): 5 **persons** □□, 5 **places** □, 5 **things** □

Paste them on 3 sheets with headings. Write the naming words under each.

M.L.W :-

1.) FISH AQUARIUM PROJECT

Make a fish aquarium with the help of wool, thread, colors, paper cuttings, matchsticks, shoe box etc.

2). PLANTATION ACTIVITY

Grow your own vegetable or vegetables by sowing the seed of tomato, chilli, coriander, fenugreek etc and watch their growth everyday. Take 4-5 pics of their stages of growth and make a collage. When the school re-opens, bring it back to school. Share its health benefits with your classmates.

MATHS :-

1.) DAILY TEMPERATURE

Take a record of the daily temperature of your town and note it down in your scrapbook.

2.) My Family Age & Number Train

Ascending and descending numbers. Gather the ages of at least 5 family members or relatives in your home. Draw a train with 5 or 6 compartments. Write the ages inside the compartments in ascending (**smallest to biggest**) order, and do it backwards for the descending order in Scrapbook.
