**HOLIDAY HOMEWORK 2025-26**  
**CLASS – NURSERY**

At last, at last, it's summer time,  
The school is closed tight.  
It is filled with fun, excitement and friends,  
It's time to relax and enjoy.  
It's time for building awesome forts,  
It's time for hide and seek,  
At last, at last It's summer time....

### **Dear Parents**

For the fun-filled learning kindly engage yourself with your child for completing their holiday homework.

### **Nature Scavenger Hunt**

### **Sensory Play in a Jar**

Fill a jar with different textures like rice, pasta, and beans, and add small toys. Let them shake, pour, and explore the different feels.

### **My Summer Story Collage**

Provide magazines, colourful paper scraps, and photos (with help for cutting). Let them create a collage depicting their ideal summer activities.

### **Watermelon Seed Planting**

After enjoying a yummy watermelon, save the seeds! Let them plant them in a pot and watch them grow (with adult supervision).

### **Fingerprint Art Animals**

Use stamp pads and paper. Let them make fingerprints and turn them into funny animal shapes with markers or crayons.

### **Beach in a Box**

Fill a box with sand (or brown sugar) and add small plastic toys like seashells, toy fish, and boats. Let their imaginations set sail!

Save cardboard boxes! Let them work with you to create a city with buildings, tunnels, and maybe even a cardboard car.

### **Sing a Song, Learn a Rhyme**

Pick a simple summer-themed song or rhyme. Practice it together throughout the holidays to keep those little voices chirping.
