**CERTIFICATE**

This is to certify that the Public Health Engineering Department has conducted an inspection of the DAV Public school, Talwandi Kota, premises regarding the availability and safe drinking water facilities. During the inspection, all drinking water arrangements were found to be safe, adequate, and functioning properly. The school also maintains proper sanitation and cleanliness ensuring a healthy environment for students and staff. Based on the inspection carried out by the department, all facilities related to drinking water are found to be satisfactory. Hence, this certificate is issued for official use.
